

Dear Scout Parent or Guardian,

On behalf of the Medical Staff and Employees at Raleigh General Hospital I want to welcome your scout to The Summit Bechtel Family National Scout Reserve, located in Glen Jean, West Virginia. I am sure your child will have an outstanding time at this summer's High Adventure Camps. Raleigh General Hospital is proud to have been selected by The Boy Scouts of America as the preferred medical provider for all campers at The Summit Bechtel Reserve. We are establishing a health clinic at The Summit Bechtel Reserve which will be staffed with physicians and nurses and a senior hospital liaison and should your child have any medical needs during their visit, we want to assure you that their health and wellness are our number one priority. At Raleigh General Hospital, our service theme is "We touch lives" and our pledge to you is that if your son or daughter needs medical care during their visit, we will provide comprehensive and compassionate care using state of the art technology.

Sincerely,

A handwritten signature in black ink that reads 'David B. Darden'.
