Workin' At the Carwash!

Thank you to everyone who brought their cars out to be washed, asked their friends and families to bring their cars out to be washed, or paid to have your car not washed!

The Scouts did a great job and worked very hard washing many, many cars, trucks and trailers! The Scouts managed to collect \$838 in donations working from 9 am until 3 pm. When Walmart sends us the matching funds check, we will have earned \$1,676! Great job Scouts and parents! And Thank You Walmart!

Any time we travel to and from a Troop campout, the Scouts of Troop 75 are required to wear their Class A shirt, Troop 75 hat, and a neckerchief or bolo (First Class and above may wear a bolo). It is to the scout's discretion as to what type of pants and socks he wears on a campout. Please keep weather conditions in mind and be appropriately prepared.

This travel policy applies when traveling to and from summer camp as well. Please be dressed appropriately when you arrive at the Church on Saturday morning!

Summer Camp Reminders

All medical forms need to be turned in to Mrs. Thomas ASAP. Everyone should have received a list of any missing paperwork, please turn all paperwork in prior to our departure.

Please remember to send lunch money with your Scout for the rides to and from camp. For the ride home, the money should be placed in an envelope marked "lunch" and with your son's name. This envelope will be given to your son on the ride home prior to our lunch stop.

Please remember to put daily spending money in an envelope clearly marked with your Scout's name and the day of the week. Each Scout will be given the opportunity to collect their allotted funds from the "bank" each day prior to going to the trading post. We recommend \$5 or so per day per Scout.

Please send your Scout mail. Do not send food or candy!

Additional Summer Camp Reminders

- ▶ All gear should be labeled! Use a silver sharpie on dark colors. Label everything - even socks and underwear!
- ▶ Send a Sharpie® marker with your Scout to camp so he can label any new items he may purchase at the trading post.
- ▶ Scouts working on the swimming merit badge need to bring the following items to meet their merit badge requirements: old shoes that can get wet, old socks, long pants (nylon sport pants work best), and a long-sleeved button front shirt. The Scouts will jump into the water wearing these items over their swim trunks and will need to take them off and inflate them to demonstrate a water survival technique.
- ▶ Send a black plastic garbage bag for storing all clothing that will get wet!!
- ▶ Rain gear is a MUST! Right now there are a few days while at camp where some rain is predicted.
- ▶ Send some extra money for a trip to the large Trading Post. T-shirts are about \$15, knives are about \$10.... Put this money in an envelope with your Scout's name on it and mark it "For Trading Post"
- ▶ Send extra batteries for flash lights; be prepared!
- ▶ A disposable camera is nice to have—even better if it's waterproof!

REMEMBER TO LABEL EVERYTHING!

Dankschen! Mahalo! Grazie! Thank You!

Thank you goes out to...

- Mrs. Aske for coordinating our Troop carwash fundraiser—what a huge success!
- All the Scouts and parents who worked so hard at the car wash!
- Mrs. Lybrand for donating the food and drinks for the Scouts and the parents working at the car wash!
- Mrs. Lybrand for donating coolers to the Troop and to Owasippe!

Scoutmaster Corner

Troop 75,

Summer Camp is just around the corner, I hope that everyone is ready to go. I know that I am very excited about going. I'm sure that there are also some nervous people. This might be the first time away from your parents, for more than a day or so. I also know that a lot of you guys will be home sick, but that is a natural feeling. I think that some of the older guys will tell you that they don't miss home, but I'm not sure that is the case.

I hope that all of the guys that are playing baseball this summer are having winning seasons. And I hope that all of your family vacations are loads of fun.

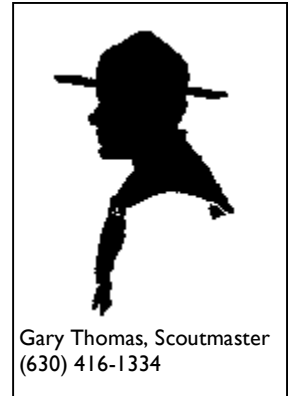

We are having a busy season for Eagle Projects. Eric L. has recently completed his project at Good Shepard. Dan M. will have finished his project at St. Johns by publication time. Mike W. has a few more letters to come in and he will be ready for his Scoutmaster Conference and Board of Review. Nathan O. is moving along with his Eagle Project also. I encourage all of our Scouts to help out on as many of these Eagle Projects as possible. The time will come when you too will need help.

In Patrol News, the Loon Patrol has gone on their outing to the Chicagoland Speedway Demolition Derby. They were able to do the flag ceremony at the track. Between Scouts, parents, and siblings, they had 50 people in attendance. They have also completed the required service projects for the Patrol Honor Award. They will hold two Patrol meetings at summer camp and they will have completed all the requirements.

The Wolves are also working for the Patrol Honor Award. They have done one service project and picked their outing. They are about 2/3 complete. I encourage the Dragon patrol to work on this award as you can start it at any time.

I'm looking forward to a great time at summer camp. Good times, good friends, and good Scouting. Best of all, good fishing!

Proud to be your Scout Master,
Mr. Thomas

Scout Vespers

Softly falls the light of day, as our campfire fades away.
Silently each Scout should ask, have I done my daily task?
Have I kept my honor bright?
Can I guiltless sleep tonight?
Have I done and have I dared everything to be prepared?

A typical meeting involves an opening and closing ceremony, Our Troop meeting is typically closed with the retiring of the colors and then the entire Troop forms a circle and sings the Scout Vespers.
