Troop Historian Report

by Alex B.

Mother/son Camp-out

On June 12-13 we went to White Pines State Park. After we set up camp, it started to rain. It rained all night and to noon the next day. When it stopped, everyone went on a hike. It was a great trip.

Camp Decorah

On July 5-11 we went to Camp Decorah. The first thing we did was unpack the trailer and everyone set up camp. Every morning we worked on merit badges. In the afternoon we had free time. During free time we could choose a lot of things to do like swimming, shooting rifles, archery, or ax throwing. We could also go to the nature center. Some people went to the trading post to buy slushies and ice cream. The last night there was a fire bowl and every troop performed a skit. One funny moment was when we found Mr. Boyle's hat at the top of the flagpole. It was a great week.
