Historian's Corner

The May campout was at Turkey Run State Park in Indiana. There we went canoeing. As we went down the river there were huge suspension bridges and paralyzing islands which were obstacles for our canoes. While canoeing, Max H. found more than 100 turtles. Other wildlife found were a crane and a Bald Eagle. In June we had our Spring Court of Honor with all of the advancements since January. Congrats to everyone who received an advancement.
