

Pepsi Chicken

Ingredients:

Frozen chicken breast – 2 per person
2 16oz bottles of Barbeque Sauce
1 2 liter bottle of regular Pepsi

Place one layer of chicken breast in 12” Dutch oven. Cover with a thin coat of barbeque sauce. Add another layer of chicken breast. Cover with a thin coat of barbeque sauce. Repeat until all breast are used or until food reaches 2 inches from top of Dutch oven. Pour the Pepsi on top of breast and sauce leaving at least one inch open at the top. Place lid on Dutch oven.

Spread 12 charcoal briquettes on the ground in a circle. Place the Dutch oven on top of the charcoal and then add 10 briquettes on top of the lid. Cook until chicken is done (approx. 1 hour) replace charcoal after 30 minutes with fresh briquettes.

Serve with canned corn or green beans.
